SUMMARY OF INTERVIEW

On January 31, 2007, Applicants' representative, Ronald Schoenbaum, conducted a telephone interview with Examiner Isaac Tecklu to discuss the outstanding Office Action. During the interview, Mr. Schoenbaum pointed out specific limitations, in each of the three independent claims (1, 9 and 17), that he believes are not disclosed by Guenthner (U.S. Pat. 6,230,196). For example, Mr. Schoenbaum explained his position that Guenthner does not disclose a "prefetch component" as described in either Claim 1 or Claim 17. Examiner Tecklu indicated that no changes are needed to Claims 1 and 17 to overcome the rejections of those claims. With respect to Claim 9, Examiner Tecklu indicated that he would withdraw the rejection provided that Applicants change "data" to "mapping" in two places. No other claims, references, or issues were discussed, and no exhibits were presented.
